INTRODUCTION

THE TWENTIETH CENTURY MEMORIAL for Central New York is the outcome of expensive preparation, requiring nearly two years of painstaking labor to complete, and is sent forth with confidence that it will be valued by the intelligent community it represents in proportion to its manifest merits.

Over fourteen hundred portraits make this by far the most comprehensive collection ever published in Central New York.

So remarkable an array of portraits of the prominent and noteworthy men, present and past, was at first considered impossible by discerning citizens whose advice was sought, and neither they or anyone who has not shared the labors involved in the making of this book can properly realize the difficulties which have been overcome.

The titles are brief and condensed in every instance to three lines below the names. Often it would be easier to write a page of ordinary biography than to indicate a man's career in three lines, and the charm of such a collection of portraits, unmarred by any indiscriminating biographies, always tiresome and sometimes incorrect, makes this book a pleasant review instead of a mental task.

“ Words are like leaves; and where they most abound,
Much fruit of sense beneath is rarely found.” — *Pope*

By making this work a Nineteenth as well as a Twentieth Century memorial, including as it does in the collection many portraits of those who have passed away, enhances its value, and the possessors of this memento will have “ a kind of excellent dumb discourse ” more eloquent than words, to entertain and instruct their families and friends, and hand down to posterity an heirloom which must increase in value as the passing years recede into fainter and fainter memories.

The arduous toil of making a worthy Nineteenth and Twentieth Century Memorial for Central New York is ended, and the completed result is ready to be placed in the hands of its subscribers. We are sure that it will be cordially welcomed and that the better it is known the better it will be appreciated.

Also for advisory courtesies: the HON. ANSEL JUDD NORTHRUP, ex-County Judge of Onondaga; GEN. DWIGHT H. BRUCE, postmaster of Syracuse, and Mr. HENRY H. RICH of Rochester, N. Y.; for the engravings, the CENTRAL CITY ENGRAVING AND ELECTROTYPING CO., and for the printing and binding, THE MASON PRESS.

As to the photographs, more than 800 were made expressly for the book by PHILIP S. RYDER, of Syracuse, N. Y., and taken together comprise a wonderful collection of high art. There are also many exquisite productions from photographs made for the work from the following well known galleries: FREY, Utica, N. Y.; ERNSBERGER & SON, Auburn, N. Y.; NORTHRUP, Oswego, N. Y.; BRAINERD, Rome, N. Y.; SLOCUM, Watertown, N. Y.; DARROW, Fulton, N. Y.; ZINTSMASER, Herkimer, N. Y.; BUCKLIN, Little Falls, N. Y.; WIGGINS, Oneida, N. Y.

The publisher is especially indebted for generous financial and advisory courtesies to Mr. HENRY H. RICH, whose assistance has made this work possible.
